MEMORANDUM FOR: D/ICS
DD/ICS

VIA: Ch/IHC

FROM: [REDACTED]

SUBJECT: NOCONTRACTOR Exclusion Requests

1. Action Requested: Request your concurrence in forwarding the attached memoranda to the DCI for his approval.

2. Background: Task 4 of [REDACTED] effort under the 1985-1986 phase of the DCI's COMPUSEC Project is to develop recommendations for how best to produce second and subsequent annual DCI-approved COMPUSEC threat paper and to provide the second annual COMPUSEC threat paper. In the past, [REDACTED] has brought in several private sector individuals, at no cost to the IC Staff, to participate in COMPUSEC action groups; these persons have provided invaluable expert advice, private sector perspectives, and necessary balance to the COMPUSEC efforts.

To accomplish the goals set forth in this task, [REDACTED] is forming the COMPUSEC Threat Working Group, of which [REDACTED] of Planning Research Corporation (PRC) and [REDACTED] of the BETAC International Corporation are to be members; other members consist of high-level US Government representatives from DIA and CIA, [REDACTED], and me, since I have been given the continuing responsibility on the IC Staff for the DCI's COMPUSEC threat formulation.

[REDACTED] chose [REDACTED] of PRC largely because of his extensive experience as a professional staff member for the Subcommittee on Program and Budget Authorization, House Permanent Select Committee on Intelligence; she chose [REDACTED] of the BETAC International Corporation because of his current active involvement in computer-related threat activities within the Intelligence Community and the support that he currently provides from BETAC to the Computer Security Project.

In order to carry out properly the work of the COMPUSEC Threat Working Group, it will be necessary for both [REDACTED] to have access to the DCI's 22 January 1985 COMPUSEC threat document, COMPUSEC and COMSEC Threat to Intelligence Community ADP Systems Processing SCI, which carries a NOCONTRACTOR marking, as well as other existing IC threat documents that carry this dissemination restriction.

All portions of this memorandum
are UNCLASSIFIED

SUBJECT: NOCONTRACTOR Exclusion Requests

3. Recommendation: That you concur in and forward the two NOCONTRACTOR dissemination waiver requests to the DCI for his approval.
